NOTICE TO BUILDING OCCUPANTS AND PARENTS

NOTIFICATION OF INSPECTION FOR ASBESTOS CONTAINING MATERIALS IN PUBLIC SCHOOLS

The Environmental Protection Agency (EPA) has issued a final rule, 40 CFR Part 763, Asbestos Containing Material in schools, commonly referred to as AHERA. This rule requires all Local Education Agencies (LEA's) to identify asbestos containing materials (ACM) in their school buildings and to take appropriate actions to control the release of asbestos fibers.

All inspections for Shady Hills Elementary School have been completed and a Management Plan describing the results of the inspection and the action plan to control any asbestos found during the inspection, where applicable, has been submitted to the governor for approval. A copy of this plan is located in the administrative office of this school and at the Pasco County Schools Maintenance & Facility Services Department and is available for review upon request.

Did you Know?

Our School website has easy to find links to these documents: School Success Plan, School Parent Involvement Plan, and District Parent Involvement Plan. A copy of these documents and other useful information is also available in our Parent Resource area at Shady Hills Elementary.

The Pasco County School District and Pasco Sheriff's Office have established Facebook, Instagram, and Twitter sites where parents should go to if they hear about a controlled campus, lockdown, or other incident at a school. These are the best sources to find accurate and up-to-date information about what is happening.

Our doors open at 8:20 am and the tardy bell rings at 8:40 am. Please do not drop your children off for school before 8:20 am. There is not any adult supervision outside before that time.

Thank you in advance for your help keeping our students safe.

LUNCH APPLICATION

Free and reduced-price meal applications for the 2018-19 school year are now available by clicking <https://www.myschoolapps.com/Application>. If you already received a Direct Certification letter, you do not need to complete an application, and only one application is needed per household.

Second, school meal accounts can be funded through the MySchoolBucks meal payment service. Just visit <https://www.MySchoolBucks.com>. You can also view meal history and set spending limits through this service.

Please contact Food and Nutrition Services with any questions by emailing fns@pasco.k12.fl.us or calling 813-794-2281.

VOLUNTEER

The application to become a volunteer for the 2018-19 school year is now available by clicking <https://apps.raptortech.com/Apply/MTU4OmVuLVVT>.

mySTUDENT and ACORN

This year, all schools are using the Acorn Student Fees system. This secure, streamlined system enables parents to pay fees and add school purchases to their shopping cart for multiple children at different schools, and complete transactions using credit and debit cards. Please note, this will not change the process for putting funds on your student's meal account. Also, you must have a myStudent parent account to be able to access Acorn. To establish a myStudent parent account, click on the myStudent banner on the district homepage, www.pascoschools.org. To establish an Acorn account, click on the Acorn banner at the top of the page.
