Empowered to Achieve our Goals with Pride!

Every member of our school family works together to help each other grow.
Every action we take leads us to deeper learning outcomes.

As a student, I will:

- attend school every day, all day.
- be prepared and ready to learn.
- accept responsibility for my education and my actions.
- offer help to others who need it.
- follow the 3 School-Wide Expectations- Be Safe, Respectful, and Responsible.
- be a responsible digital citizen at school and at home.

The academic goal I have for myself this year is _____.

As a family, we will:

- ensure daily attendance from 8:40 am to 2:50 pm.
- minimize tardiness and early check outs to emergencies only.
- support and expect positive student behaviors and reward my child for positive accomplishments.
- monitor my student's progress on a regular basis, (i.e. parent/teacher conferences, homework, check ClassDojo daily).
- be aware and make use of academic resources for my student.
- communicate with my child's teacher through ClassDojo, email, phone calls, and/or conferences.
- encourage high expectations for my child.
- take an active role in parent involvement opportunities.
- take an active role in ensuring my child is a responsible digital citizen at home.
- create a Parent Portal account to view Progress Reports and Report Cards; monitor my Parent Portal account to keep all emergency contact information up to date throughout the year.

Our family goal for this year is _____.

As a school, we will:

- provide a safe, positive, family-friendly environment.
- model and promote the 3 School-Wide Expectations.
- communicate student progress on a regular basis.
- meet the individual, academic, and social needs of each student through high quality curriculum.
- develop relationships that create opportunities and connections to the community.
- prepare our students to continue their education.
- teach and ensure responsible digital citizenship at school, including the characteristics and effects of cyber-bullying.

Our school goal for this year is to engage students in appropriately rigorous curriculum to effectively prepare them for college, career, and life.

This compact reflects our commitment from the first day of school to the last day of school.
